### **DETAILED ACTION**

**Claims 1-29 are allowed.**

1. The following is an examiner's statement of reasons for allowance:

The prior arts of record fail to teach a combination of structures including a plurality of elongated electrical resistance heating element installed through the access door, disposed horizontally above the reservoir, each of the heating elements supported at each end in a corresponding movable heating element box, each of the heating elements having an unshielded portion for the introduction of heat into the reservoir.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Len Tran whose telephone number is (571) 272-1184. The examiner can normally be reached on M-F, 8:30 - 5.
